Luther in worms

“Luther arrived in Worms as part of a triumphal procession. The emperor and church officials expected him to recant his theses while at the Diet.

Luther's books were placed on a table. He was then asked if they were his works and whether he wanted to recant any of the information. Luther requested time to think over his reply and the next day he answered with the well-known speech: "Unless I am convicted by scripture and plain reason - I do not accept the authority of the popes and councils, for they have contradicted each other - my conscience is captive to the Word of God. I cannot and I will not recant anything for to go against conscience is neither right nor safe. God help me. Amen." (<https://www.luther.de/en>).

This is how important the Bible was for Luther who was part of the progressive reformation that will continue after his death.

2 Peter 1 : 20-21: Above all, you must understand that no prophecy of Scripture came about by the prophet's own interpretation of things. 21 For prophecy never had its origin in the human will, but prophets, though human, spoke from God as they were carried along by the Holy Spirit.

2 Timothy 3:16 - All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness.

Matthew 24: 35 - •Heaven and earth will pass away, but My Word will never pass away.

The French philosopher Voltaire predicted that 100 years from his time, the Bible will totally disappear. He said : “ I can prove that only one man is enough to totally eradicate the Bible. 30 years later, after his death , his house became the Warehouse of the Bible society

Jesus-Christ The Word Of Life

The stories of the Bible like walking on waters, the resurrection after 4 days, the healing of Naaman the leper, the day the sun stood still, the rod of Moses turning in a snake, the journey of Israel in the wilderness, the multiplication of bread, David and Goliath, the fall of Jericho, the story of Gedeon, do not make human sense, but they reveal the power Of God.
