

the world, both to angels and to men.”

**Hebrews 10:33** ... you were made a spectacle both by reproaches and tribulations, and partly while you became companions of those who were so treated.

*Who should be blamed in this great controversy? God?*

**Romans 3: 4** Certainly not! Indeed, let God be true but every man a liar. As it is written: “That You may be justified in Your words, And may overcome when You are judged.”

*In His amazing love, God did not leave man in this chaotic situation. As the angels of God , and the universe witness amazed the consequences of the lost and hopeless sinner, and wonder how His mercy will be revealed, at the appointed time His sent His Son: the called Him Jesus*

*Questions: How will you exercise your free will? Will you submit it to God and live a happy life? Or will you exercise it for a self destruction and perish at last ?*

*Love For Mankind*

There was a story told about two twin brothers who lost their parents while they were still very young. The grew up in the same situation. One of them was given to the bad life of alcohol, drugs and crimes; the second one spent his time behind the walls of families who have children; he listened to them when they are giving advice to their children and applied those instructions to himself. When they grew up, the one given to bad life was arrested for a crime and condemned to life in prison. He told the judge the committed crime was not his fault; He explained that he grew up without having his parents to educate him. The judge answer to him was the following: “you have no excuse; you and your brother went through the same life situation. But today your brother is a lawyer; in fact he is one of my colleagues in this administration”. The same free will but two different results.

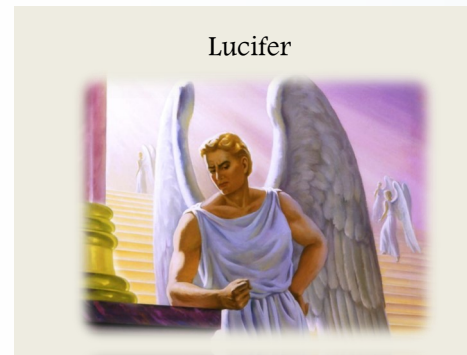

Free will : Definition

Free will is defined as the ability to make choices without constraints or restrictions . The end result of exercising free will is a selfish and self-centered life; the consequences of a selfishness and self centered life go beyond the individual himself and extend to his surroundings.

Even though it is a gift of God its exercise is not without dangerous consequences; one of its dangers is that free created beings of God have the ability to initiate a revolution any time. Yet the reason of creating free willed creatures from God’s part was to receive voluntary love from them in return. God did not choose to create robots without freedom.

## Jesus-Christ And His Love For Mankind

The consequence that proceeds from this was the fall of Lucifer, who freely decided to rebel against God, putting the whole universe of God in jeopardy, and God Himself in judgment

•*The following verse from the Old Testament gives some lights about this selfishness of Lucifer.*

**Isaiah 14: 13-14** - I will ascend into heaven, I will exalt my throne above the stars of God; I will also sit on the mount of the congregation On the farthest sides of the north; 14 I will ascend above the heights of the clouds, I will be like the Most High.’

*The creature that rebelled against God was cast out from heaven with the angels that followed him*

**Revelation 12: 4,9:** His tail drew a third of the stars of heaven and threw them to the earth. And the dragon stood before the woman who was ready to give birth, to devour her Child as soon as it was born....So the great dragon was cast out, that serpent of old, called the Devil and Satan, who deceives the whole world; he was cast to the earth, and his angels were cast out with him.

God’s creature that made himself His enemy, when cast out of heaven found refuge in no other place in God’s universe than on planet Earth.

The planet Earth became the center of the Controversy between God and Satan. By leading the innocent woman into sin, our world was ruined beyond despair. The consequences of the controversy were witnessed by the whole universe (bloodshed, misery, death; poverty, animalistic behavior) .

We have been made a spectacle to the universe – 1 **Corinthians 4:9:** “For I think that God has displayed us, the apostles, last, as men condemned to death; for we have been made a spectacle to
